A vertical banner with a golden, textured background. At the top, a line of stylized human figures in various colors (blue, white, purple) holds hands, receding into the distance. The banner is divided into three horizontal sections by dark green bands. The top section contains the first text block. The middle section contains the second text block. The bottom section contains the third text block. The bottom of the banner features the text 'GENEROSITY HEALS' in large, bold, golden letters.

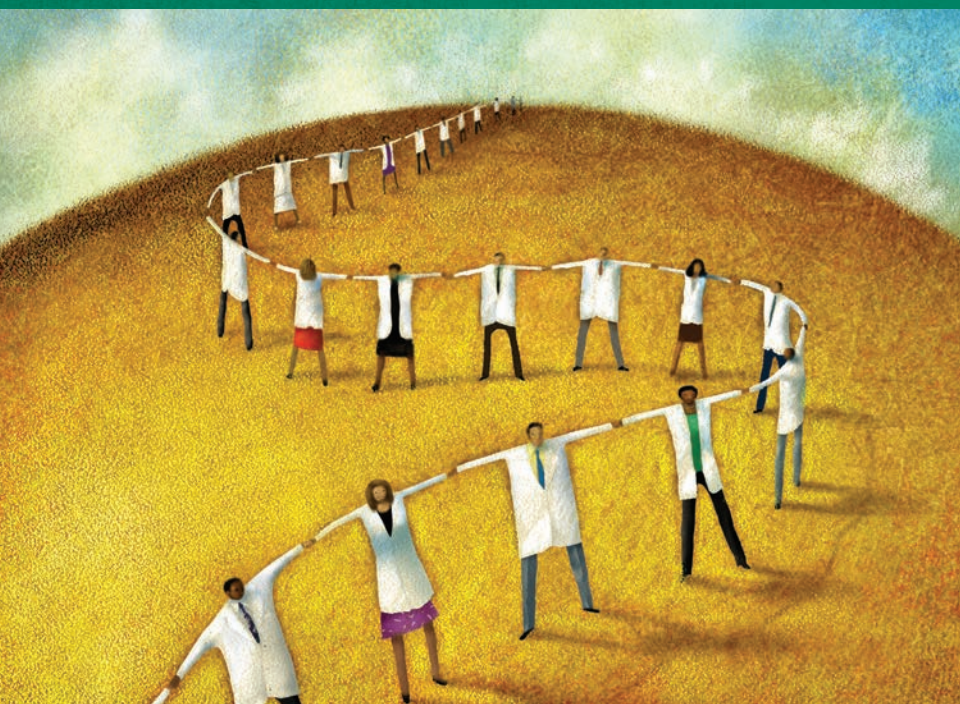

Because when you give...
you make it possible to heal a life or save a life, we want you to see the difference in these lives—to experience the impact of your gifts in fresh and compelling ways.

Because generosity is an adventure...
filled with discovery and awe, we're dreaming of how to create delight for you and make the experience after a gift imaginative and intriguing.

Because giving is sublime...
the echoes of gratitude should be far from mundane and resonate for a lifetime. So we're committing to boldness and beauty in how you hear from us.

GENEROSITY HEALS

*We're creating a giving experience different
than any you've seen...*

IT WILL TAKE PLACE THROUGHOUT THE YEAR

It's not about how we **ask** you for gifts,
but how you as our generosity partner **experience**
the impact of gifts you've already made.

Together we will **make** this year a creative **adventure**.
