GENEROSITY
IMPACTS LIVES.

Philanthropy funded half the Heart & Vascular Institute.
Among those we've treated are 32 people—

⇒ *mothers, fathers, sons or daughters,* ⇐

who because of insufficient blood flow struggled to breathe,
couldn't walk far—sometimes only a few steps, felt tired all
the time and in many cases were at risk of death.

TODAY, THEY LIVE A
MORE VIBRANT LIFE.

YOU HELPED MAKE IT SO.
