

We celebrate the generosity of our staff . . .

A staff member makes an annual gift to support the hospital's nursing education fund saying, "Working here has opened my eyes to all that philanthropy can do."

generosity heals

*Hinsdale Hospital Foundation*

We celebrate the generosity of our neighbors. . .

Every year a mother in our town gives thanks for her now-healthy, grown sons by going out with her neighbors to collect for a charity that helps disadvantaged children.

We celebrate the generosity of our children . . .

A ten-year-old who began his days in our hospital's Neonatal Intensive Care Unit saved to make a gift of a comfortable rocking chair for parents who are sitting in the NICU with their own fragile young babies.

generosity heals

We celebrate the generosity of our physicians . . .

A surgeon donates her services to remove a cancerous tumor found when an uninsured woman took part in a free screening. Additional care will be covered by gifts from other physicians on our staff.
