

## PHILANTHROPIC TRIBES

### CONVERSATION CARDS

To tribe is to belong. Tribes are not just groups. They're far more intimate, powerful, fluid, and vibrant. Some people live their entire lives and never experience a tribe. Philanthropic tribes attract people not only because of what they fund, but how they adventure and grow together. Use these cards with peers to explore what it would look like to come together as a philanthropic tribe. Each card contains a seed idea and questions for conversation.
